**ARTICLE 1: RECOGNITION**

- A. The Ironton City Board of Education, hereinafter referred to as the “Board”, recognizes the Ironton School Support Association, OEA/NEA, hereinafter referred to as the “Association”, as the sole and exclusive bargaining representative for the bargaining unit as defined in paragraph B. Both parties agree to the terms of employment described and agree that this contract supercedes and exempts Ironton City Schools from all civil service laws.
- B. The Association shall be recognized as the exclusive representative of all full-time and part-time non-teaching personnel including long-term subs.

Hereafter, employee(s) in the defined unit will be referred to as bargaining unit member(s).

- C. Excluded from the bargaining unit shall be all other employees of the Ironton City Schools, including all supervisory, management, confidential, seasonal casual substitutes and casual employees as defined in Section 4117.01 of the Ohio Revised Code, Secretary to the Superintendent, Secretary to the Treasurer, Secretary to the Administrative Assistant, Assistant to the Psychologist, Attendance Officer, Teachers, Guidance Counselors, Principals, Assistant Transportation Director, Transportation Director, Director of Maintenance, Director of Cafeteria Services, and Treasurer.
- D. The bargaining unit includes all regular full-time and part-time non-teaching employees including long-term substitutes.
  - 1. Upon ratification of this Agreement by both parties, full-time shall be defined as those employees contracted to work a full-schedule of hours six (6) or more for a minimum of one hundred twenty (120) days or more in a work year.
  - 2. Upon ratification of this Agreement by both parties, part-time shall be defined as those employees contracted to work less hours than the full schedule of hours six (6) as defined in D-1 above for a minimum of one hundred twenty (120) days or more in a work year.
  - 3. Long-term substitutes are those that work at least 60 consecutive days in the same assignment. After 60 days, the classified substitute would move to the pay rate of a step 0 employee in that assignment.
  - 4. Casual substitutes are those substitutes that are called to work on a day-by-day basis to fill in for a bargaining unit employee who is absent from work.
  - 5. Health insurance benefits are provided to employees who are scheduled to work thirty-hours (30) or more per week.

6. A substitute employed for more than sixty (60) consecutive days in one (1) specific position will be placed at the minimum salary schedule for the current position for which they are substituting.

## **ARTICLE 2: NEGOTIATIONS PROCEDURE**

- A. The parties acknowledge that they have an alternative dispute resolution procedure to that provided in Ohio Revised Code Section 4117.14, which alternative procedure supercedes the provisions of that Section. Under the agreed-upon dispute resolution procedure, if impasse is declared by either party, or the parties are unable to reach agreement on all issues submitted for negotiations, either party may declare impasse on the issues yet unresolved.
- B. If impasse is declared, the parties will mutually request assistance from the Federal Mediation and Conciliation Services (FMCS) in the form of a Mediator selected by the FMCS.
- C. The Mediator shall act in such capacity until one or both parties declare otherwise, or until agreement is reached. However, if agreement is not reached through Mediation within thirty (30) calendar days from the beginning of federal mediation, the Union may initiate the provisions of Sections 4117.14 (D) (2) of the Ohio Revised Code. This procedure is in lieu of the provisions of Section 4117.14 but does not waive the Union's rights under Section 4117.14 (D) (2), subject to the condition that the Union shall resort to a strike until the impasse has been exhausted.
- D. The Mediator has no authority to recommend or to bind either party to any agreements.

## **ARTICLE 3: GRIEVANCE PROCEDURE**

- A. The primary purpose of this procedure shall be to obtain at the lowest level and in the shortest period of time equitable solutions to grievances which may arise from time to time.
- B. Any individual unit member of the Association itself may file a grievance, which is an alleged violation, misinterpretation, or misapplications of any matter negotiated and determined under the provisions of this Agreement.
- C. The following procedures shall be followed with regard to any and all grievances.
  1. An alleged violation shall first be discussed informally between the unit member and his/her immediate supervisor.

2. If the problem is still unresolved, the unit member shall provide the Superintendent with a formal written grievance, which shall set forth the Article alleged violated, the facts constituting the alleged violation, the relief sought, the date of the incident of the alleged violation and the signature of the grievant.
  - a. After receipt of a formal written grievance, the Superintendent and the grievant shall have a meeting, within five (5) working days of the Superintendent's receipt of the formal written grievance.
  - b. If the matter is not resolved at this meeting of the Superintendent and the Grievant, the Superintendent and the grievant shall have a formal meeting, together with the President of the Association, within five (5) working days of the last meeting.
  - c. The Superintendent shall respond in writing to the grievance within five (5) working days of this formal meeting.
3. The Association may itself, through its business agent, initiate a grievance at the third step of the procedure, by supplying the Superintendent with a formal written grievance, when such grievance does not involve a particular unit member or principal, but instead involves an application of the Agreement that affects all bargaining unit members. An individual may only initiate a grievance at the third step of the grievance procedure with the agreement of the Superintendent.
4. A grievant or the Association may appeal the decision of the Superintendent to the Board through the following procedure:
  - a. The grievant shall provide the Superintendent with a written notice of his/her intention to appeal within ten (10) days of the Superintendent's decision, to allow adequate time for the Superintendent to arrange for consideration of the appeal at a Board meeting within thirty (30) days of the notice of appeal. This written notice of appeal shall set forth the detailed grievance, the complaints regarding the Superintendent's decision, a request for scheduling of the appeal before the Board, the identity of the grievant or grievant, and the number of individual grievances.
  - b. The Superintendent will have ten (10) days after the receipt of the written notice of appeal to notify the grievant(s) when the matter will be taken up before the Board.
5. The appeal before the Board shall be for the Board's consideration of the issue or issues raised by the grievance and the Superintendent's decision.
6. The Board shall make a disposition of the appeal in a timely manner, and shall promptly notify the grievant or the Association, as the case may be, of the decision of the Board or if the Board is unable to agree on decision. The grievant

or the Association, as the case may be, may, if dissatisfied with the Board's decision, pursue legal remedies and may also resort to legal remedies if a prompt decision is not received from the Board.

- D. Time limits set forth herein may be extended by mutual agreement of the parties, and time shall not be considered of the essence, with the exception of cases involving the termination of an employee with a continuing contract.
- E. Failure of either party to proceed without giving notice of a need for an extension of time shall result in the dropping of the grievance (when the grievant or Association fails to proceed) or the relief sought shall be given (if the Superintendent or Board fails to proceed).
- F. The procedures of this Article shall not affect the right of the grievant or the Association to exercise the right to file an unfair labor practice charge within the time prescribed by law.

#### **ARTICLE 4: ASSOCIATION RIGHTS**

- A Recognition of the Association as the sole and exclusive representative shall confer upon the Association certain exclusive rights during the term of this Agreement or any written extension thereof.
- B The Agenda and non-confidential attachments to said agenda relative to pending Board actions and approved minutes of the Board shall be made available to the Association President on the same day as their distribution to Board members. It shall be the responsibility of the Association to distribute its material to the members, and this shall not interfere with the assigned duties of any bargaining members.

F Maintenance of Association Membership.

Although it is agreed that union membership is not a mandatory condition of employment, for any employee covered by this Agreement, any employee covered by this agreement prior to signing of this agreement who is currently a member of the bargaining unit, shall continue to pay to the Association dues or fees regularly charged members of the Union in good standing for the life of this Agreement (except as otherwise provided herein).

Any employee who is a member of and adheres to established and traditional tenets or teaching of a bona fide religion or religious body which has historically held conscientious objections to joining or financially supporting an employee organization and which is exempt from taxation under the provisions of the

Internal Revenue Code shall not be required to join or financially support any employee organization as a condition of employment. Upon submission of proper proof of religious conviction to the State Employment Relations Board, it shall declare the employee exempt from becoming a member of or financially supporting the Association. The employee shall be required, in lieu of such fair share fee, to pay an amount of money equal to such fair share fee to a nonreligious charitable fund mutually agreed upon by the employee and the Association.

The Employer shall be relieved from making such deductions upon an employee's: Termination of employment; Transfer to a job other than one covered by the bargaining unit; Layoff from work; and an unpaid leave of absence or when the employee's paycheck amount is one in which a deduction could not be made.

The Association shall indemnify and save Management harmless against all claims, demands, suits or other forms of liability that may arise out of or by reason by any action taken by Management to comply with this Article and the Association's Maintenance of Membership/Fair Share Fee provisions, calculations and notification procedures.

I Visitation by ISSA Representatives.

1. Whenever possible all visits to the school by a representative(s) of the ISSA shall be arranged in advance.

The Association President or his/her designee may be recognized by the Superintendent to address the Board for a specific period of time relative to any agenda item. The Association may be placed on the agenda for any Board meeting upon the request of the Association President to the Superintendent. The request must be made at least four (4) days prior to the scheduled meeting, to enable the Superintendent to comply with Board policy on distribution of agendas.

The Association may be permitted reasonable use of school telephones, typewriters, ditto machines, mimeograph machines, copier machines, and audiovisual equipment provided they are not being used or are not required for any school business or activity. Supplies or fees for such use shall be provided or paid for by the Association.

The Association acknowledges that it has the ongoing responsibility to explain and discuss the terms of this Agreement with all members of the bargaining unit.

**J Association Dues Deductions.**

1. Members of the bargaining unit may sign and deliver to the Treasurer an authorization for deduction from their paycheck for membership dues of the Association and its direct affiliates. Such authorization shall continue in effect until such time said individual gives written notice to the Treasurer of the Board to discontinue such deduction or until employment with the Board is terminated.
2. Authorization to make such deductions must be filed with the Treasurer by September 30<sup>th</sup> in the year such deductions are to begin.
3. The Treasurer of the Association shall notify the Treasurer of the Board in writing by September 30<sup>th</sup> of each year of the amount to be deducted for both local and all other Association membership dues in accordance with the employee authorization.

5. All dues money shall be forwarded to the Ironton Support Staff Association on a monthly basis as stipulated by agreement between the ISSA and the Board Treasurer.

The Treasurer and the Board shall be held harmless by the Association relative to the legality of said deductions.

**ARTICLE 5: EMPLOYEE RIGHTS**

- A. The policies and practices of the Board and the Association shall be applied without regard to race, color, national origin, sex, marital status, age, physical or mental disability or handicap, or veteran status. The Board shall not discriminate against employees because of membership or non-membership in the Association or participation in Association activities. Both parties agree to cooperate in the implementation of the Americans with Disabilities Act of 1990.

- B. Employees shall work under safe and healthful conditions.
- C. Employees shall not be expected to provide materials and equipment in order to carry out their responsibilities.
- D. The Board retains the right to promulgate reasonable work rules, policies and directives applicable to employees and not inconsistent with this Agreement. Copies of such rules, policies, and directives shall be furnished to the Association President and affected employees prior to the effective date of such rules, policies and directives.

1. An official personnel file shall be maintained at the Board of Education office for bargaining unit employees. There shall be no private personnel or personal files on any bargaining unit employees.
2. Each item in the file shall be dated as to its entrance therein and as to the date when such item was made, except routine financial and demographic material. The employee will be given a copy of all documents before they are placed in his/her personnel file, except for routine data.

B. Access to File.

Access to the personnel file shall be made available during regular office hours to the employee and/or his/her designated representative. Neither the file or any part thereof shall be removed from the office. Privileged information such as confidential credentials and related personal references normally sought at the time of employment are specifically exempted from review. The Board shall provide the employee with a copy of any requested materials from the personnel file.

C. File Contents.

Only appropriate information relating to performance or discipline may be entered into the file other than routine financial or demographic data. All such performance information must be signed by the employee's supervisor.

1. No anonymous letter, report, or communications shall be included in an employee's personnel file.
2. No inaccurate or invalid information shall be included in an employee's file.
3. All evaluations shall be included in the file.

4. Any written records of verbal or written reprimand or disciplinary action shall be removed from the employee's personnel file after eighteen (18) months if no additional reprimands or related incidents of record have occurred during the two-year period. Any disciplinary action that has been taken will remain in that employee's personnel file.

## **ARTICLE 7: DISCIPLINE**

- A. No bargaining unit member shall be disciplined, reduced in rank or compensation, suspended or demoted without just cause.
- B. The following system of progressive discipline will be followed:
  1. verbal reprimand
  2. written reprimand
  3. suspension without pay
  4. discharge
- C. The bargaining unit member's supervisor shall investigate the incident prior to beginning any disciplinary action.

- D. An Association representative shall be permitted to attend the investigatory interview of a member whenever disciplinary action may be contemplated against the member.
  1. At the conference, the bargaining unit member shall be provided the opportunity to present his/her side of the case and respond to all of the allegations should he/she desire to do so.
- E. Any disciplinary action shall be appealable through the grievance procedure.

## **ARTICLE 8: SENIORITY**

- A. Seniority shall be defined as continuous length of employment of an employee in the bargaining unit computed from the employee's most recent date of hire by the Board.

- B. Seniority shall accrue for all time an employee is on active pay status or an approved leave of absence, or is receiving worker's compensation benefits.
- C. Seniority shall be lost when an employee:
  1. resigns or retires;
  2. is discharged;
  3. is laid off for more than twelve (12) calendar months;
  4. is recalled from a lay-off and fails to return to work within five (5) working days;
  5. involuntarily resigns by missing three (3) consecutive working days without reporting his/her absence.
- D. If a tie exists, it shall be broken by the date at which the Bargaining Unit member was employed as a substitute. For the purposes of this article, the member must have been serving as a substitute immediately prior to being employed in a full-time position. If the member has served more than one period of time as a substitute, the latest hire date as a substitute shall be used for this article. If a tie continues to exist, it shall be broken by the last digit of the employee's Social Security Number with "0" being first and "9" being last. If the tie is still not broken, the next last number will be used and proceeding so on until the tie is broken. This procedure shall be implemented in the presence of a designated Union representative and the affected employees.
- E. The School District shall provide the Union an annual seniority list on October 15 each year listing the name, Social Security Number, date of hire, job title, and employment status (i.e. full-time, part-time, etc.). Any errors in the list will be corrected upon them being brought to the Administration's attention.

**ARTICLE 9: LAYOFF AND RECALL**

- A. In the event it becomes necessary to reduce the number of employees in a job classification, the following procedures shall govern such layoff and/or subsequent reinstatement.
- B. The number of people affected by reduction in force shall be kept to a minimum by not employing replacements, insofar as practical, of employees who resign, retire, or otherwise vacate a position. Any reduction in regularly assigned time shall be considered a layoff under the provisions in this Article.
- C. When it becomes necessary to layoff employees for reasons as stated above, affected employees shall be laid off according to seniority within the classification, with the least senior employee laid off first. Seniority shall be defined as the uninterrupted length of continuous service with the Board of Education in a particular job classification computed from the latest date of hire or appointment in his/her present classification. Authorized leaves of absence do not constitute an interruption in continuous service. In the case of identical seniority, the Administration and the Association shall meet to determine a fair and equitable means of deciding which employees shall be laid off first.

- D. An employee laid off in one classification shall be able to bump into another job classification in which he/she has worked and is qualified, provided the employee exercising bumping rights has greater seniority in the classification than another employee working in the classification.
- E. The following classifications shall be used for the purpose of defining classification seniority in the event of layoff:
1. Paraprofessional
  2. Bus Driver
  3. Cafeteria Employees
  4. Custodian
  5. Maintenance
  6. Mechanic
  7. Secretarial and Clerical
- F. Prior to the effective date of layoffs, the Board of Education shall prepare and post for inspection in a conspicuous place a list containing names, seniority dates, and classifications and indicate which employees are to be laid off. Each employee to be laid off shall also be given advance notice of layoff. Each notice of layoff shall state the following:
1. Reason(s) for the layoff or reduction;
  2. The effective date of layoff; and
  3. A statement advising the employee of his/her rights of reinstatement from the layoff.
- G. For the classifications in which the layoffs occur, the Board shall prepare a reinstatement list and the names of all employees employed under probationary contracts shall be placed on the reinstatement list in the reverse order of layoff. The names of all employed under the continuing contract status of employment shall be placed on a separate reinstatement list in reverse order of layoff. Reinstatement shall be made from this list before any new employees are hired in that classification or any employee is reinstated from the probationary list.
- H. Vacancies, which occur in the classification of layoff shall be offered to and declined in writing by the employees standing highest on the layoff list before the next person on the list may be considered. Any employee who declines reinstatement shall be removed from the reinstatement name list.
- I. The employee's name shall remain on the appropriate list for a period of two (2) years from the effective date of layoff. If reinstated from layoff during this period, such employee shall retain all previous accumulated seniority and a notice of reinstatement shall be made by certified mail.

While the board agrees that there is no intention to reduce staff or layoff personnel for the sole purpose of subcontracting bargaining unit classifications, should a reduction in force or layoff be required, it would be under the terms of the reduction in force agreement. Short term contracting may occur during a classification layoff in the event of an emergency. Employees who have

been laid off shall be eligible for employment under this section. Such employment shall not affect any recall rights.

**ARTICLE 10: HEALTH AND SAFETY**

- A. The Ironton City School District agrees to abide by all federal and state laws concerning health and safety in the workplace.

Employees will report all unsafe conditions to their supervisors immediately.

**ARTICLE 11: JOB BID AND TRANSFER**

- A. A “vacancy” shall be determined to exist when there is an opening in a bargaining unit position that the Superintendent of the Ironton City Schools intends to fill. The Superintendent shall be the sole judge of whether or not a vacancy exists.
- B. When the Superintendent determines a vacancy exists, he shall cause the position that is vacant to be posted on [www.tigertown.com](http://www.tigertown.com), via e-mail, and on all staff bulletin boards. All members of the bargaining unit are eligible to submit request for consideration for the open position. The posting shall be for five (5) working days.
- C. The filling of vacancies shall be in the following order:
  - 1. The employee with the most seniority who is most qualified will be considered first in the job classification with the qualifications and ability to perform the essential functions of the vacancy shall be awarded the position as determined by the Superintendent of Schools. The Superintendent’s decision is not grievable.
  - 2. Full-time bargaining unit employees applying for the vacancies not within their current classification, if qualified, shall be considered for the vacant position.

- D. All employees awarded a position under this Article shall serve a ninety (90) calendar day probationary period.
1. Anyone failing the probationary period shall be returned to their prior position.
  2. Probationary removals are not grievable.

**ARTICLE 12: WORK WEEK, WORK DAY, WORK YEAR, AND SCHEDULING**

- A. Work Year.
1. The calendar for the school year shall be set by the Ironton Board of Education. The calendar when published each year will be distributed to all employees.

      - Secretaries- 200 days, including holidays
      - Cooks- 193 days including holidays
      - Bus Drivers, full-time up to 189 days when school is in session, including holidays.
      - At the option of the Board, an employee may be issued an extended contract for an additional number of days at the per diem rate.

B. Work Week.

The work week shall be defined as seven (7) consecutive days starting on midnight Sunday night and running to the next Sunday night. Overtime shall be governed by the Fair Labor Standards regulations.

C. Work Day.

In hours, the length of the standard work day shall be seven (7) hours actually worked each day, with exceptions as specified on the classification wage scales. All employees of the bargaining unit will be notified annually of their hours of work, rate of pay, salary placement, number of days, holidays and vacation leave.

1. Each full-time bargaining unit member shall be entitled to fifteen (15) days sick leave with pay each year under contract, which shall be credited at the rate of one and one-fourth (1 ¼) days per month. All part-time bargaining unit members shall earn sick leave for the time granted full-time bargaining members. Unused sick leave shall be accumulated to a maximum of three hundred five (305) days or the number of days granted to certified personnel in the I.E.A. Master Agreement, whichever is higher. All days shall be in correlation to the employee's work day.
2. A new employee with accumulated sick leave from another public agency shall have placed to his/her credit, upon written application and proof of such to the Treasurer, all sick leave accumulated with a previous public employer, not to exceed two hundred and sixty days (260) days.

## **APPENDIX C: NETWORK PRIVACY AND ACCEPTABLE USE POLICY FOR STAFF MEMBERS**

It is the intention of the Ironton City School District Board of Education to protect the privacy of staff members who use the school computers, computer network, and electronic messaging systems to the maximum extent possible given the operational and security needs of the District. The purpose of this policy is to identify the limitations on this privacy and the general restrictions applying to the use of computers and electronic messaging systems of the District.

### **Acceptable and Unacceptable Uses**

The computers, computer network and messaging systems of the School District are intended for educational uses and work-related communications. Incidental use of the e-mail and voice mail systems by staff members for personal communications is permitted as long as such communications are limited in number, are initiated during non-work periods, and do not interfere with the primary intended uses of the system.

The following are uses that are unacceptable under any circumstances:

- the transmission of any language or images which are of a graphic sexual nature
- the transmission of jokes, pictures, or other materials which are obscene, lewd, vulgar, or disparaging of persons based on their race, color, sex, age, religion, national origin, or sexual orientation
- the transmission of messages or any other content which would be perceived by a reasonable person to be harassing or threatening
- uses that constitute defamation (libel or slander)
- uses that violate copyright laws
- uses that attempt to gain unauthorized access to another computer system or to impair the operation of another computer system (for example, the transmission of a computer virus or an excessively large e-mail attachment)
- any commercial or profit-making activities
- any fundraising activities, unless specifically authorized by an administrator

### **Security and Integrity**

Staff members shall not take any action that would compromise the security of any computer, network or messaging system. This would include the unauthorized release or sharing of passwords and the intentional disabling of any security features of the system.

Staff members shall not take any actions that may adversely affect the integrity, functionality, or reliability of any computer (for example, the installation of hardware or software not authorized by the System Administrator).

Staff members shall report to the System Administrator or a School District administrator any actions by students which would violate the security or integrity of any computer, network or messaging system whenever such actions become known to them in the normal course of their work duties. This shall not be construed as creating any liability for staff members for the computer-related misconduct of students.

### **Right of Access**

Although the Board of Education respects the natural desire of all persons for privacy in their personal communications, and will attempt to preserve this privacy whenever possible, the operational and security needs of the District's computer network and messaging systems require that full access be available at all times. The School District therefore reserves the right to access and inspect any computer, device, or electronic media within its systems and any data, information, or messages that may be contained therein. All such data, information, and messages are the property of the School District and staff members should have no expectation that any messages sent or received on the School District's systems will always remain private.
