Things People are Most Thankful For

Eighth Grade IHS Band

by Cheyenne Reidel and Jacob Jobe

Bishop Strait plays the cymbals for the IHS band, along with Abbie Strunk who plays tenor drums. Additionally, Alyssa Jones plays the alto sax. Jake Kinkade plays trumpet, along with Arron Mickalls,

and Jaylan Ison. Andy Schoener plays quints. Sarah McCarty plays clarinet, along with Cheyenne Kidd, Breanna Gool, Skylar Marshall, Cami Stevens, and Cheyenne Riedel. Logan Stoneroad plays tenor sax. Kelsey Neal plays trombone.

Tayden Carpenter 8th Grade Basketball Interview

by Eli Adkins

Tayden Carpenter hopes this year for the eighth grade basketball season that “the team keeps getting better and better” and hopes we win a championship. Tayden says, “I hope to play power forward or center for my position for basketball.”

He wants to beat Fairland and he wants to beat them “by making them want to quit by halftime.”

“My predictions are if we come out ready to play, then none of our games will be close,” says Tayden about how the basketball team will play. “16-0 will be our record,” says Tayden on how he thinks our record will be.

8th Grade Basketball

by Zaylor Gregory,
Eli Adkins, and Aiden Young

This year’s 8th grade basketball team will be the best team in years. There are 15 of us: Landen Wilson, Blake Porter, Tayden Carpenter, Lincoln Barnes, Eli Carter, Eli Adkins, Zaylor Gregory, Ben Taylor, Aiden Young, Mikey Smith, Bishop Strait, Cole Freeman, Cole Triplett, Ethan White, and C.J. Martin. This year, we’ve been working harder than ever. Over the offseason, Coach Large and Coach Young have been working us for the upcoming season. We practice Monday through Friday, sometimes on Saturday, and rarely on Sunday. Last year, we lost the semi-OVC to Fairland. 38 free throws were taken, but this upcoming season, we will get revenge on every team in our conference by going 16-0, and we will take the OVC Championship. Good luck to our boys.

Staff Interview

by Ethan White

I interviewed two members of the IMS staff. The first one was Jim Williams, the Algebra and math teacher of eighth grade. He has been a teacher for twelve years and a principal/vice principal for fifteen years. He says that he enjoys interacting with students and

loves being a part of Ironton. Mr. Williams also stated that one of his biggest strengths is hard work.

Next was Annette Scott. She is the nurse and has been in the nursing industry for forty years. Scott loves helping the kids, but unfortunately, is retiring after

this school year after a long career of accomplishments and hard work. Annette wanted to become a nurse after taking a dental hygienist/nursing class at college.

Five Interesting Facts About Ohio

by Samarah Bartrum

1. Ironton's population is 10,722.

2. Ohio became the 17th state on March 1, 1803.

3. 50% of the United States' population lives within a 500 mile radius of

Columbus.

4. Cleveland became the world's first city to be lighted electrically in 1879.

5. Ohio's state flag is a

pennant design. It is the only state flag of that design in the United States.

Student Interviews

by Aiden Young and Mary Lackey

Landen Wilson

Favorite Sport- Basketball

Things he likes to do during his free time: Get on PS4, Watch TV, Listen to music

Favorite breakfast- Pancakes and bacon

Favorite video game- Black Ops 4

Favorite subject- History

Favorite teacher- Mr.McMaster

Blake Porter

Favorite Sport- Basketball

Favorite teacher- Mr.McMaster

Favorite Subject- History

What are you looking forward to most this year? Christmas break

Favorite school lunch- Chicken and mashed potatoes

What time do you wake up for school? 7:00 a.m.

Student Interviews by Teegan Carpenter and Max Gleichauf

Evan Williams

Favorite Sport: Basketball/Soccer
Favorite Thing To Do: Hang out with friends

Favorite Food: Chinese Food

Favorite Brand: Nike

What's Your Favorite Place to Visit: Seattle, Washington

Best Friend: Kirsten

Favorite Subject: Algebra

Why Do You Like Ironton?

Because of better people and education

Tessa Shelton

Favorite Sport: Cheerleading

Favorite Thing To Do: Hang out with friends

Favorite Food: Pizza

Favorite Brand: Simply Southern

What's Your Favorite Place to Visit: the beach

Best Friend: Teegan

Favorite Subject: History

Why Do You Like Ironton: Because I have family that is at the school working.

Boys Basketball

by Aiden Young

We interviewed Blake Porter and asked him his personal goals for this upcoming season and he responded, "My personal goals for this season are to lead the team in steals because my coach won't stop making fun of my defense, but another thing I would like to do is lead the team in scoring." After we talked to Blake, we talked to C.J. Martin. We asked him what his goals are that he wants the team to accomplish. He said, "I really want to win the OVC and beat Fairland." He also wants to see both 7th and 8th grade boys teams win the tournament at the end of the season.

Giggle of the Week

by Coleton Redmond

Why shouldn't you write with a broken pencil?

Because, it's pointless.

Band Interviews

by Kelsey Neal

Cheyenne Kidd

Favorite thing about band: "I like the music; it's harder and a challenge for us middle schoolers."

Favorite song: "Runaway Baby, definitely."

What's something you wish they'd change? "The halftime show; it's fun, but I wish they'd change once in a while."

How many people from middle school do you think should join high school band? "All of them."

Which part of the halftime show is your favorite? "'Runaway Baby' set."

Andy
Schoener

Favorite thing about band: "I like playing music."

Favorite song: "I don't have one."

What's something you wish they'd change? "Variety of music."

How many people from middle school do you think should join high school band? "Any that want to join."

Which part of the halftime show is your favorite? "I like play-

Feature Artist

Talia Johnson is known for her drawing talent, so the Tiger Tea staff asked her to draw a tiger for this issue. She finished within an hour and graciously gave this original artwork to Mrs. Williams. You can see it framed and hanging on her wall in room 215. Great job, Talia! Keep drawing!
