## 15 Day Assignment Packet

Teacher: McMaster

**\*You Must Take Your Textbook Home\***

**Lesson 1:** Impact of the Coronavirus on the USA

This will be a 5 day assignment.

**Objective:** Throughout history the world has been impacted by diseases, plagues and viruses that have caused many changes to society. In this lesson, you will be researching and discussing how this Coronavirus has already changed life in the United States. We will be looking at the economic, political, and the social/cultural impacts of this outbreak.

**Directions:** Each section of this lesson will require a 150-200 word essay that you have researched using the Internet, YouTube, TV News or Newspaper articles. You will read your information and write a response that relates to the question of that section. The response should be in your own words (not copied or cut and pasted) and meet the word number requirements. Also, please cite the research documents you used to complete the section question. You should have 2 different research sources for each section question. Section 4 question does not require research, this is a personal answer. A citation is giving the title, name of source and date of the source. This lesson can be typed or handwritten (neatly please) on your own paper.
