Dear Parent/Guardian:

The federal law, No Child Left Behind, requires that any local school district receiving federal Title I, Improving the Academic Achievement of the Disadvantaged, must notify parents of each student attending any school receiving Title I that they may request information regarding the professional qualifications of the student's classroom teacher, including the following:

1. Whether the teacher has met the Ohio teacher licensing criteria for the grade level and subject areas in which the teacher provides your child instruction.
2. Whether the teacher is teaching under emergency or temporary status that waives State licensing requirements.
3. The college degree major of the teacher and any other graduate degree or certification (such as National Board Certification).
4. Whether your child is provided services by instructional paraprofessionals (sometimes called teacher's aides) and their qualifications.

I am pleased to report that all of the teachers at Ironton Elementary School (Grades K-5) have met the Federal criteria for being identified as a Highly Qualified teacher.

Information pertaining to the professional qualifications of your child's teacher may be requested by sending a written request to:
