

# Goals

The evaluator and/or teacher shall identify areas where improvement is to be accomplished. Areas where particularly weak performance is noted shall be targeted. The evaluator and teacher shall develop a plan of improvement that consists of goals for improvement; a plan of action to accomplish said improvement and indicators of success that improvement has been accomplished.

- Classroom Management
- Instructional
- Teacher – Student Relations
- Teacher – Parent Relations
- Proficiency Testing
- Professional Development
- Other

**Goal #1:**

**Plan of action:**

**Indicators of success:**

- Classroom Management
