

Ironton Memorial Alley Pavers Available

The Ironton City School District is offering the opportunity for interested parties to preserve the history of Ironton High School and to place their stamp on the newly proposed Memorial Alley.

We are offering for sale bricks from the original Ironton High School structure. Each brick will be engraved with "Ironton High School" and the dates "1922-2007". The cost of an engraved brick will be \$50.

Additionally, we are offering the opportunity to purchase a paver that can be engraved with up to three lines with an inscription of your choice and placed in Memorial Alley at the new Ironton High School. These pavers will become a permanent marker at the new facility. The cost of an engraved paver at the newly constructed Memorial Alley will be \$100.

You may wish to purchase *either* or *both* of these items. We are sure you will want to purchase one of each for yourself as well as purchasing additional pavers for others. They also would make a great gift or provide a way to honor a special friend or relative.

If you purchase one of each, the cost is \$125. That is a savings of \$25.
