ARTICLE 5: GRIEVANCE PROCEDURE

A. Definitions can be found in Appendix F

B. General Provisions:

1. No grievant may be represented by any employee organization other than the Association in any grievance procedure initiated pursuant to this procedure.

2. A grievance may be withdrawn at any level without prejudice or record. The Association has the right to be present for the adjustment of any and all grievances. The Association President shall receive copies of all communications in the processing of grievances at the time the grievant is notified.

3. Any individual unit member of the Association itself may file a grievance, which is an alleged violation, misinterpretation, or misapplication of any matter negotiated and determined under the provisions of this Agreement, within fifteen (15) days of the event or circumstance being grieved. The time limits herein shall be adhered to strictly as maximums for each grievance to ensure rapid resolution of problems and issues concerned, unless otherwise agreed by both parties to this Agreement. Lack of adherence to the time limits shall result in the resolution of the grievance at the level in which the timeline was not met. Time limits may be extended only by mutual agreement of all parties concerned.

4. The official grievance form (included in the Appendix to this Agreement) shall include the following information:

- a. A brief description of the alleged grievance and the time, place, and date it occurred;
- b. The specific contract provision(s) alleged to be violated, misapplied, or misinterpreted;
- c. The relief or remedy sought;
- d. The date of submittal; and
- e. The signature of the grievant or the association submitting the alleged grievance.

5. Grievance Records:

- a. Copies of all written decisions of grievances shall be sent to all parties involved, the Association President, the aggrieved, and the appropriate administrator.
- b. Forms for processing grievances shall be made available through designated officials of the Association, including Building Representatives and members of the Association Grievance Committee.
- c. All grievance records shall be kept separately from the employee's personnel file and shall be subject to the same rules and confidentiality as the personnel file except that written grievance resolutions and arbitration awards shall not be considered confidential.

- d. No employee shall be subject to discrimination, harassment, or intimidation as a result of filing a grievance or utilizing the grievance process.
- e. All written communications shall be either emailed with a read receipt in which the recipient will acknowledge, hand delivered or mailed certified mail return receipt requested.
- f. All Group and Association grievances which affect more than one (1) building and/or job classification shall be filed formally at Level III.
- g. All grievance meetings and hearings shall be held at locations and times that will give all participants required to be present a reasonable opportunity to attend.

PURPOSE:

- A. The primary purpose of this procedure shall be to obtain at the lowest level and in the shortest period of time equitable solutions to grievances which may arise from time to time.
- B. The following procedures shall be followed with regard to any and all grievances;

Informal Level:

An alleged violation shall first be discussed informally between the unit member and his/her principal.

Formal Level 1:

If the problem remains unresolved after ten (10) workdays, a formal grievance shall be filed with the Principal and copied to the Superintendent.

Formal Level 2:

If the problem is still unresolved, the unit member shall provide the Superintendent with a formal written grievance, which shall set forth the Article allegedly violated, the facts constituting the alleged violation, the relief sought, the date of the incident of the alleged violation, and the signature of the grievant.

- a. After the receipt of a formal written grievance, the Superintendent and the grievant shall have a meeting within ten (10) workdays of the Superintendent's receipt of the formal written grievance.
- b. If the matter is not resolved at this meeting of the Superintendent and the grievant, the Superintendent and the grievant shall have a formal meeting, together with the Labor Relations Consultant of the Association, within ten (10) work days of the last meeting. The Superintendent reserves the right to have counsel present at this meeting.
- c. The Superintendent shall respond, in writing, to the grievance within ten (10) work days of this formal meeting.

The Association may itself, through its Labor Relations Consultant, initiate a grievance at the third step of the procedure, by supplying the Superintendent with a formal written grievance, when such grievance does not involve a principal, but instead involves an

application of the Agreement that affects all bargaining unit members. An individual may only initiate a grievance at the third step of the grievance procedure with the agreement of the Superintendent.

Formal Level 3:

- A. A grievant or the Association may appeal the decision of the Superintendent to the Board through the following procedures:
 - a. The grievant shall provide the Superintendent with a written notice of his/her intention to appeal within ten (10) work days of the Superintendent's decision, to allow adequate time for the Superintendent to arrange for consideration of the appeal at the Board meeting within thirty (30) days of the notice of appeal. This written notice of appeal shall set forth the detailed grievance, the complaints regarding the Superintendent's decision, a request for scheduling of the appeal before the Board, the identity of the grievant or grievance, and the number of individual grievance.
 - b. The Superintendent will have ten (10) workdays after receipt of the written notice of appeal to notify the grievant(s) when the matter will be taken up before the Board.
- 1. The appeal before the Board shall be for the Board's consideration of the issue or issues raised by the grievance and the Superintendent's decision.
- 2. The Board shall make a disposition of the appeal in a timely manner, and shall promptly notify the grievant or the Association, as the case may be, of the decision of the Board or if the Board is unable to agree on a decision. The grievant or the Association, as the case may be, may, if dissatisfied with the Board's decision, pursue legal remedies and may also resort to legal remedies if a prompt decision is not received from the Board.
- B. If both parties agree, the grievance may be referred to grievance mediation with an FMCS mediator prior to the Board hearing. If mediation is unsuccessful, the grievant or Association representative must provide notice of appeal to the Board within ten (10) work days after mediation.
- C. The time limits set forth herein may be extended by mutual agreement of the parties reduced to writing, and time shall not be considered of the essence, with the exception of cases involving the termination of a teacher with a continuing contract.
- D. Failure of either party to proceed without giving notice of a need for an extension of time shall result in the dropping of the grievance (when the grievant or Association fails to proceed) or the grievance will be moved to the next step if the Administration fails to answer.

- E. The procedures of this Agreement shall not affect the right of the grievant or the Association to exercise the right to file an unfair labor practice charge within the time prescribed by law.

ARTICLE 6: SEVERABILITY PROVISIONS

- A. In the event there is a conflict between a provision of this Agreement and ORC 4117.10(A) or a federal law, or valid rule or regulation adopted by a federal agency as determined by a court of competent jurisdiction, ORC 4117.10(A) or federal law or valid rule or regulation adopted by a federal agency shall prevail as to that provision. All other provisions of this Agreement which are not in conflict with ORC 4117.10(A) or federal law or valid rule or regulation adopted by a federal agency, thereto, shall continue in full force and effect in accordance with their terms. The parties will meet to negotiate any necessary change in the Agreement relative to the affected provision within sixty (60) days by demand of either party.
- B. If during the term of this Agreement there is a change in ORC 4117.10(A) or federal law or valid rule or regulation adopted by a federal agency pursuant thereto, which would invalidate any provision of this Agreement, as determined by a court of competent jurisdiction, the parties will meet to negotiate any necessary change in the Agreement relative to the affected provision within sixty (60) days by demand of either party.
- C. If during the term of this Agreement there is a change in any applicable state or federal law or valid rule or regulation adopted by a federal agency or a state agency pursuant thereto, which requires the Board of Education to develop policies that affect the term(s), condition(s) of employment, or working condition(s), then the parties will meet to negotiate the additional term(s), condition(s) of employment, or working condition(s) within sixty (60) days by demand of either party.
- D. The negotiations procedures in Article 4 of this Agreement shall be followed for any of the above mentioned negotiations.

ARTICLE 7: NON-DISCRIMINATION

- A. A member of the bargaining unit shall not be discriminated against or harassed by either the Board or the Association on the basis of race, sex, religion, national origin, handicap, veteran status, gender, ancestry, sexual orientation, age or union affiliation.

ARTICLE 8: PERSONNEL FILES

- A. A personnel file of each member of the bargaining unit may be maintained by the Principal of the location in which that member teaches. This file shall include but not be limited to copies of complaints against that bargaining unit member, all material kept by the principal for use in preparing evaluations of that member and related supervisory materials (i.e. informal disciplines). The Principal shall forward copies of all official evaluations, complaints and formal disciplinary records and any other materials used in employment decisions for inclusion in the permanent personnel file maintained in the Board's administrative offices, not later than thirty (30) working days after the event or action giving rise to the document. The file at the Board Office shall be limited to payroll records, official transcripts, copies of evaluations, certification information, job applications, copies of conference reports, record of employment, and other necessary administrative materials. Copies of the contracts of employment shall be available upon request.
- B. Any personnel action including discipline of a bargaining unit member shall be based only upon material contained or reflected in the permanent personnel file in the Board office.
 - 1. These files shall be kept confidential to the extent permitted by law. A copy of all materials placed in the permanent personnel file shall be sent to the member upon placement. Bargaining unit members may duplicate any item in their files at the rate of ten cents (10 cents) per sheet.
 - 2. The date and name of the person placing material in the permanent personnel shall be included on the document.
- C. Individual bargaining unit members shall have access to their personnel files upon request to the Principal or to the Superintendent at a time that is mutually convenient, but not less than three (3) working days and does not interfere with the bargaining unit member's regularly assigned duties. The bargaining unit member may be accompanied by another individual of his/her choice. The administration may also, if it so elects, exercise its equal right to representation at this time.
- D. Those authorized to use files of members shall be limited to the Superintendent, Administrative Assistant, members of the Board of Education, Treasurer of the Board, Principals or Supervisors directly responsible in directing the bargaining unit member, or the secretaries or assistants of the above authorized individuals. The Board will comply with 149.43 of the Ohio Revised Code.

1. If anyone other than authorized school personnel or Board members request to see a bargaining unit member's personnel file, the member shall be notified and shall have the right to be present at the viewing of his/her file so long as the member exercises his/her right within forty-eight (48) hours of notification being sent to the member, except in response to process of law. The Board of Education will comply with 149.43 of the Ohio Revised Code.
- E. When formally requested via an email to the Treasurer of the Board and approved by the Superintendent or his/her designee, bargaining unit members may have discipline(s) more than five (5) years old removed from their formal personnel file unless subsequent discipline of the same nature has been repeated. Bargaining unit members may challenge the timeliness, relevancy, accuracy, or completeness of an item in their personnel file in accordance with the provisions of ORC Section 1347.09.
- F. No anonymous materials may be placed in a member's personnel file. The name of any person making the entry, the teacher with rebuttal attached to the complaint, and author of the formal complaint shall be included.

ARTICLE 9: PAY PERIODS

- A. Bargaining unit members shall receive payment in twenty-six (26) equal installments over a twelve (12) month period. Pay day shall be every other Friday, except in cases of emergency. If there are twenty-seven (27) pay periods, the bargaining unit members will have their pay divided by 27, and paid in 27 equal installments.
- B. Bargaining unit members on extra-curricular contracts shall be paid in one (1) lump sum at the completion of the contract.
- C. All Bargaining unit members shall have their paychecks directly deposited to their accounts in the financial institution of their choice.

ARTICLE 10: TRAVEL REIMBURSEMENT

- A. Bargaining unit members whose assignment necessitates travel shall, if they use their own automobiles and if approved by the appropriate administrator or Supervisor, be reimbursed at the IRS rate per mile. To be reimbursed, members shall submit the approved form to the Superintendent monthly, to be paid in the first two (2) weeks of the next month. Earlier payment may be made upon a request approved by the Superintendent.
- B. Mileage for traveling teachers shall be calculated from the first school of assignment for the day to the final school of assignment for the day.

- C. Bargaining unit members shall maintain adequate comprehensive liability insurance in compliance with State Law on their automobiles, and a valid Driver's License, therefore signing the expense voucher request for reimbursement shall indicate the same.

Any bargaining unit member who travels shall be required to sign-in at the various locations that he/she visits to perform the duties of his/her job. A form, Staff Visitation Log, will be kept by each building principal as prescribed by the Superintendent. The Staff Visitation Log shall have the date, name of staff member, time the staff member arrives at the building (Time In), time the staff member leaves the building (Time Out), and the next destination of the staff member.

ARTICLE 11: SCHOOL PROCEDURES

- A. The School Administration shall provide all bargaining unit members with a copy of all written procedures and policies of student discipline, hours and other policies, including updates, relating to the operation of the building in which they teach.
- B. The Association President shall be given a copy of all Board Policies and Procedures currently in effect and all updates as they occur.

ARTICLE 12: SEVERANCE PAY

- A. Upon retirement, a bargaining unit member who has worked for ten (10) or more years in the Ironton City School District and who has provided written notification of State Teachers' Retirement System (STRS) retirement eligibility to the Treasurer, shall be paid in the amount of one-fourth (1/4) of his/her accrued but unused sick leave credit, up to a maximum of eighty-two (82) days.
- B. Payment will be made at the bargaining unit member's per diem rate in effect at his/her current salary schedule in the District. The bargaining unit member's per diem rate will be computed on the basis of the number of contract days per year for the member, and shall not include amounts received under supplemental contracts.
- C. Payment will be made not later than thirty (30) days after retirement.
- D. Any payment will be made only after the member becomes a retiree of the State Teachers' Retirement System (STRS). Once such severance payment has been received, all unused accumulated sick leave is surrendered and forfeited. Such payment shall be made only once to a bargaining unit member.

- E. In case of the death of a bargaining unit member before retirement, any accrued severance pay will be paid to the estate of said member.
- F. Retirement for the purpose of this Agreement is defined as being that point at which a certificated professional employee has applied for and received a notice of his/her effective date of retirement from the State Teachers' Retirement System or the State Employees Retirement System.

ARTICLE 13: TEMPORARY DUTY

- A. If it becomes necessary for any bargaining unit member to assume the responsibility for another bargaining unit member's class during his/her planning period that bargaining unit member shall be reimbursed at the rate of twenty-five dollars (\$25.00) per period. If it becomes necessary to assign students to another employee's regularly scheduled class, the teacher shall receive the above per period or substitute pay if it is a full day. All students from a given classroom shall be placed in one teacher's room at the same grade level if possible. If it becomes necessary to split the class, then the pay shall be paid to each teacher.
 - 1. The immediate supervisor shall, when feasible, first solicit volunteers from the bargaining unit for such assignment but shall at all times retain the right to assign bargaining unit members, on a rotation basis.
- B. Such reimbursement shall be remitted to the teacher within the next applicable pay period.
- C. With prior approval from building and/or district level administrators, any bargaining unit member who works at an event or completes a task not within their typical, day to day job description (i.e. Special Olympics, Grand March, Senior Nights, etc.) will receive \$25 per hour.

ARTICLE 14: STRS PICK-UP

- A. The Board shall pick-up contributions to the State Teachers' Retirement System paid on behalf of the employees in the bargaining unit utilizing the salary reduction method under the following terms and conditions:
 - 1. The amount to be "picked-up" on behalf of each employee shall be at the statutorily mandated rate of the employee's annual compensation and reduced by an amount equal to the amount "picked-up" by the Board for the purpose of City, State and Federal Tax.

2. The "pick-up" percentage shall apply uniformly to all members of the bargaining unit as a condition of employment.
3. The parties agree that should the rules and regulations of the IRS or retirement system change making this procedure unworkable, the parties agree to return, without penalty, to the former method of employee/employer contributions.
4. Payment for sick leave, personal leave, severance, supplemental, etc., including unemployment and worker's compensation, shall be based in the employee's gross or daily gross pay prior to the reduction as basis (i.e. gross pay divided by the number of days in a teacher's contract).

ARTICLE 15: PROFESSIONAL AND ACADEMIC FREEDOM

- A. The Board and the Association recognize the importance of an educational atmosphere that is relatively free from censorship and restraints upon free inquiry, learning, free political rights of citizenship, and the rights of privacy, and in which academic freedom for teacher and student is encouraged.
- B. The Board and the Association recognize their joint obligation as educators, to the students and the community to provide a role model for moral and ethical behavior. The Board and the Association also acknowledge that the private life of a teacher is not within the appropriate concern or attention of the Board except as it may prevent the teacher from properly or efficiently performing his/her assigned functions during the work day, or as it impacts upon his/her professional obligations as a teacher to his/her students. Teachers are responsible for complying with the Ohio Department of Education Code of Professional Educational Conduct and the Board will provide a copy of the Department of Education Code of Professional Education conduct to new hires.
- C. Teachers will be entitled to free rights of citizenship, and no religious or political activities of any teacher or the lack thereof will be grounds for any discipline or discrimination with respect to the employment of such teacher unless said activities are violative of law or impact upon the teacher's professional obligations to his/her students, or detract from establishing a more cooperative atmosphere to increase the students learning potential.
- D. The teacher as a recognized professional shall have the right to choose those instructional methods, issues and/or materials within the accepted curriculum guidelines he or she deems to be appropriate and effective with a given group of students.

Before introducing materials, methods and/or issues of a known controversial nature, the teacher shall consult with the principal as to the advisability of such methods,

materials and/or issues and together they will develop plans to minimize any possible negative reactions to the introduction and use of said controversial materials, methods and/or issues. If a teacher disagrees with the principal's decision, it will be referred to the Superintendent for resolution.

ARTICLE 16: COMPLAINTS AGAINST MEMBERS OF THE BARGAINING UNIT

- A. All individuals expressing a concern regarding a unit member shall be encouraged by the Administration to attempt to resolve such concerns on an informal level with the member prior to pursuing further procedures. The unit member will be immediately advised of any complaint and the identity of the complainant.
- B. If not resolved with the bargaining unit member alone, complaints against a bargaining unit member shall be handled informally by the bargaining unit member's Principal at his/her discretion. Any complaint which is originally directed to the attention of the Administrative Assistant, Superintendent or Board Members shall be directed back to the attention of the Principal for handling under this procedure.
- C. When a review of the problem indicates to the Principal that the problem has not been resolved, the Principal will meet with the bargaining unit member to discuss the problem or may, at the discretion of the Principal, meet with the complainant and the bargaining unit member together.
- D. If the problem still remains unresolved, the complainant, after furnishing a written complaint, may address the problem to the Administrative Assistant who may, will meet with the bargaining unit member, the complainant and the Principal (if needed).
- E. If the problem continues to remain unresolved, the complainant may address the problem to the Superintendent. The bargaining unit member shall be provided the opportunity to respond, in writing, to the complainant's problem. Such response shall be forwarded to the Superintendent for his consideration. The Superintendent will, after speaking with both parties involved, make a written determination of the problem, which shall be furnished to both the complainant and the bargaining unit member.
- F. Should a reprimand or any disciplinary action involving the bargaining unit member be anticipated by the bargaining unit member, under this procedure, the bargaining unit member shall have the opportunity to be accompanied by an Association representative at all levels of the procedure set forth above. The Administration also reserves the right to have representation at all such levels of the procedure. All discipline will follow Article 36 of this collective bargaining agreement.

ARTICLE 17: STUDENT DISCIPLINE

- A. The Board, the Administration and the Association recognize their shared responsibility toward the students to provide a school environment which is well organized, effectively managed, and properly disciplined. This can best be accomplished if the administrators, principals, teachers, counselors and others in charge of the students prepare a plan which will result in the proper control of the students, and which will ultimately result in ensuring the optimum learning situation.
- B. The Board, the Administration and the Association also recognize that, although the Principal of the school is ultimately responsible for the discipline and proper control of the students throughout his/her school, it is generally conceded that the discipline of the student in and about the classroom is the duty of the teacher. No Principal, no matter how effective, can repeatedly assume the teacher's classroom disciplinary role. The Principal, on occasion, may aid and assist the teacher, but the Principal cannot replace the teacher and assume the teacher's inherent obligations. It therefore becomes the responsibility of the classroom teacher to so control his/her students that the health and safety of the students can be assured, and that the classroom is a proper setting for the best possible learning situation.
- C. The Board and the Administration also recognize their responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom.
- D. Board rules and regulations setting forth the procedures to be utilized in disciplining, suspending, or expelling students for misbehavior shall be distributed to the teachers at the commencement of each school year. The Superintendent shall be the sole judge of whether or not a vacancy exists. When a vacancy is posted and filled by a current bargaining unit member, the resulting job opening then occurring shall be deemed a vacancy for the purpose of this Article.

A "transfer" shall be defined as a change in a job assignment from one building to another (e.g., K-5, 6-8, 9-12) within the district.

ARTICLE 25: REDUCTION IN FORCE

A. The Ironton City School Board of Education may reduce the number of teachers under ORC 3319.17.

B. Seniority.

For the purpose of this Article, Seniority shall be defined as the length of continuous service in the Ironton City Schools.

1. Seniority shall begin to accrue from the first day worked in continuous service in the Ironton City Schools.
2. Seniority shall accrue for all the time a teacher is on active pay status in the Ironton City Schools, for up to two (2) years while the teacher is receiving Worker's Compensation benefits.
3. Time spent on inactive pay status (which shall be deemed to include unpaid leave, layoff or time during which the teacher receives Worker's Compensation benefits in excess of two (2) years) shall not contribute to the accrual of seniority but shall not constitute a break in seniority.
4. Seniority may not be accrued while serving in a non-teaching administrative capacity, but seniority previously accrued shall not be forfeited by serving in such capacity.
5. Full-time teachers shall accrue one (1) year of seniority for each year in which the teacher has worked a minimum of one hundred twenty (120) days.
6. Part-time teachers shall accrue seniority on a pro-rated basis against the full-time standard.
7. No teacher shall accrue more than one (1) year of seniority in any work year.
8. If two (2) or more teachers have the same seniority, the most senior teacher will be determined by:
 1. The first day worked as a full-time employee of the Ironton City Schools; then
 2. The earliest date of hire by the Ironton City Schools as a full-time employee; then

3. If a tie still exists, seniority shall be granted to the teacher holding a continuing contract with the Ironton City Schools for the longest period of time, subject to the other provisions of this Article.
4. If any tie remains after items 1, 2, and 3 have been considered, the tie will be broken by lot. Individual pieces of paper numbered 0 through 9 will be placed in a container and the teacher drawing the highest number will have greater seniority. (Each teacher will receive one (1) draw.)

C. Seniority Lists.

1. All teachers shall be placed on a seniority list which shall contain the following information: The teacher's name, the initial date of employment with the Ironton City Schools, whether the teacher has a continuing contract or a limited contract and the dates on which these contracts began, each area in which the teacher is certified, and the amount of time the teacher has spent teaching in each area of certification. At the beginning of each year, the Treasurer shall send out a form for each bargaining unit member to fill out or update all the information listed above.
2. The seniority list shall be made available to all teachers in the Administration Office by January 1st of each school year, and a teacher shall promptly inform the Superintendent of any inaccuracies contained in the seniority list. If more than one person is hired the same day, the seniority list shall list those employees in order of seniority, not alphabetically.

D. When the Board of Education determines it is necessary to reduce the number of teaching staff:

1. To the extent possible, the number of teachers affected by a reduction in force will be minimized by not employing replacements for employees who retire, resign, or whose limited contracts are not renewed in accordance with Article 29 of this Agreement. Attrition alone may not be sufficient to accomplish necessary reductions.
2. Reduction needed beyond those available by attrition will be made by suspending contracts. The limited contract of any affected member that expires prior to the effective date of the RIF shall be renewed and then suspended to implement the layoff.
3. Preference shall be given to continuing contract teachers. Reductions in any area of certification will be made starting with limited contract teachers with the lowest scores on teacher evaluations in the area of certification (if there are no limited contract teachers in the area of certification, reductions will start with

continuing teachers with the lowest scores on teacher evaluations). If all scores are comparable, then reductions will begin with limited contract teachers at the bottom of the seniority list in that area of certification. A member affected may thus elect to displace a less senior member in another area of instruction provided he/she is certified in that area and has comparable or higher evaluations, by notifying the Superintendent of this request within fourteen (14) calendar days.

4. During the implementation of a RIF, no reassignment or transfer shall occur that will cause a more senior member to be laid off before a less senior member, except as provided by the other provisions of this Article.
 5. A teacher to be laid off due to RIF shall be given forty-five (45) calendar days prior written notification prior to the implementation of the RIF.
- E. The names of teachers whose contracts are suspended in a reduction in force will be placed on a recall list for up to twenty-four (24) months. Teachers on the recall list will have the following rights:
1. No teachers will be employed by the Board while there are teachers on the recall list who are certified for the vacancy.
 2. Teachers on the recall list shall be recalled in reverse order of layoff for vacancies in areas for which they are certified or become certified, provided such information on certification is timely filed by the teacher with the Board prior to recall.
 3. If a vacancy occurs, the Board will send a certified announcement to the last known address of all teachers on the recall list who are qualified according to these provisions. It is the teacher's responsibility to keep the Board informed of his/her current address or lengthy vacation. APPENDIX E: NETWORK PRIVACY AND ACCEPTABLE USE POLICY FOR STAFF MEMBERS

It is the intention of the Ironton City School District Board of Education to protect the privacy of staff members who use the school computers, computer network, and electronic messaging systems to the maximum extent possible given the operational and security needs of the District. The purpose of this policy is to identify the limitations on this privacy and the general restrictions applying to the use of computers and electronic messaging systems of the District.

Acceptable and Unacceptable Uses

The computers, computer network and messaging systems of the School District are intended for educational uses and work-related communications. Incidental use of the e-mail and voice mail systems by staff members for personal communications is permitted as long as such communications are limited in number, are initiated during non-work periods, and do not interfere with the primary intended uses of the system.

The following are uses that are unacceptable under any circumstances:

- The transmission of any language or images which are of a graphic sexual nature
- The transmission of jokes, pictures, or other materials which are obscene, lewd, vulgar, or disparaging of persons based on their race, color, sex, age, religion, national origin, or sexual orientation
- The transmission of messages or any other content which would be perceived by a reasonable person to be harassing or threatening
- Uses that constitute defamation (libel or slander)
- Uses that violate copyright laws
- Uses that attempt to gain unauthorized access to another computer system or to impair the operation of another computer system (for example: the transmission of a computer virus or an excessively large e-mail attachment)
- Any commercial or profit-making activities
- Any fundraising activities, unless specifically authorized by an administrator

Security and Integrity

Staff members shall not take any action that would compromise the security of any computer, network or messaging system. This would include the authorized release or sharing of passwords and the intentional disabling of any security features of the system.

Staff members shall not take any action that may adversely affect the integrity, functionality, or reliability of any computer (for example: the installation of hardware or software not authorized by the System Administrator).

Staff members shall report to the System Administrator or a School District administrator any actions by students which would violate the security or integrity of any computer, network or

messaging system whenever such actions become known to them in the normal course of their work duties. This shall not be construed as creating any liability for staff members for the computer-related misconduct of students.

Right of Access

Although the Board of Education respects the natural desire of all persons for privacy in their personal communications, and will attempt to preserve this privacy whenever possible, the operational and security needs of the District's computer network and messaging systems require that full access be available at all times. The School District therefore reserves the right to access any computer, device, or electronic media within its systems and any data, information, or messages that may be contained therein. All such data, information, and messages are the property of the School District and staff members should have no expectation that any messages sent or received on the School District's systems will always remain private.

Association Business

Any use of the District's email system for the purposes of conducting business of the association shall be copied to the Superintendent. The email system shall not be used to organize or promote a strike or any form of work stoppage. Violation of this provision shall result in disciplinary action.
